MEMBERS & SUPPORTERS

Dear Members & Supporters,

It is now 10 years since we installed our magnificent Turf facility which has reaped huge benefits for all Club Members. The time has now come to replace the surface and repair the underlying sub-base. Approval has been given, tenders have been received and the works will be undertaken at the conclusion of this season.

The Club has received enormous support from Mr. David McFadden (Headmaster) and the Board of Aquinas College. Our project has gained approval from the Australian Sports Foundation and all donations are fully tax deductible.

Our target is to receive 1,000 contributions and to raise \$250,000. We have a wonderful facility and a wonderful Club. You are the Club and we manage this facility on your behalf. Please give generously! Please approach your family, your employers, your workplace associates and friends to assist you and the Club in this quest. All contributions however small are gratefully received and vital to the success of this appeal.

Donations can be made on-line or hard copies of the donation form are available at the Club. Thank you for your support.

Best Wishes
Kind Regards,

Hannes Gebauer
