Presented by Peter Cook

REDS HOCKEY CLUB

Reds Hockey began as The Old Aquinians Hockey Club, founded in 1932 by Phon Scott and his small band of helpers as a one-team club, developing the club to what it is today. In total 54 teams represented the Hockey Club ranging from Minkey to Over 60s.

Our foundations of inclusivity, fairness and supportiveness make our club what it is today.

Reds Hockey Club is located at Aquinas College, 58 Mt Henry Road, Salter Point, Perth, WA. Our Minkey program runs every year at Trevor Gribble Park in Willetton, WA.

“

WHAT OUR PARTNERS SAY...

"AvisoWA has been the proud major sponsor of the Reds Hockey club for over 15 years. I think that alone paints a compelling story about our relationship with the club."

As insurance brokers we are often asked to become sponsors and we do have many relationships in that regard.

Never in the history of our business have we had the success we have achieved through our sponsorship of the Reds. The reciprocal return has been amazing to say the least.

Reds have a truly unique offering and you can't help but feel a strong connection to their family values from the outset. As a hockey club, Reds are probably, if not the most successful club in WA with a strong history of grand final appearances and wins.

I would not hesitate to recommend to any prospective sponsor to jump on board with this dynamic club and share the many successes as you take the journey."

RICHARD THOMLINSON, AVISO WA

WHY CHOOSE US?

AFFORDABLE PACKAGES

Packages and deals for all budgets with return on investment.

WIDE EXPOSURE FOR YOUR BRAND

700+ members and growing
2 locations at Aquinas College and Trevor Gribble Reserve
